THAT YOU'RE DANKAISAN HIGH'S BLOOMING SINGLE ROSE

Hello! This is Maya Shinjo.

Ai No Utau Yori In Ooerumo! In short, "Ai Ore"! The first volume is finally being sold. This piece of work became the second challenge of my life as a comic artist. By the way, the first challenge was when I made my debut at 'Gho-Comi.' And when I completely changed the way how I used to draw, that was my second challenge. The guys I drew up to now were grown up, tall and they had narrow eyes... there aren't any male characters like this in here. Most of the fans who cheered me up until now said they liked my male characters, but now I completely changed what I was famous for. That requires pretty much courage, determination, and faith. But that I'm lucky enough that this book is being published is thanks to the support of all my fans. You've made me believe in it. And I owe it to my current publisher, too. Thank you so very much! And the fact that people, who never had a book of mine in their hands except "Ai Ore", bought one of my mangas for the first time, makes it even better. Knowing that new readers read my works, too, makes me happy to the bottom of my heart. I'm glad that I took up the challenge! Thank God I insisted on continuing. Please support me in the future, too!

To be continued...

MY BELOVED PRINCESS
